<b>NOTE</b>	1. Some prohibited CTHs are also included to check in case imported illegally /unknowingly.
	2. AQCS is fully empowered in larger National Interest to inspect and test irrespective of testing category any cargo of any Livestock and Livestock products any time in the process of decision under pre and post arrival risk analysis. The risk and hazards cannot be predicted always in advance and the risk is not static
	3. <b>Health Certificates:</b> Official original Health certificates are required as per SIP /license condition (for SIP/license category) and General official health Certificate (for Non SIP category)
	4. <b>Sampling:</b> Custom sealed samples are required for examination and testing (wherever required). The samples should be true representative of the consignment and should be in original intact packs without any tampering. The comparison of representative samples with the original official health certificate will be done before taking the decision.
	5. <b>Non animal origin products:</b> There are some common CTHs for products of animal and non animal origin. In case of non animal origin products a certificate from the Government of Country of Origin is required declaring <i>that the product do not contain any ingredient of animal origin including aquatic.</i>
	6. <b>Advise:</b> Refer applicable procedure and notifications under Trade and other links of <a href="http://www.dahd.nic.in">www.dahd.nic.in</a> and <a href="http://www.aqcsindia.gov.in">www.aqcsindia.gov.in</a> in respect of rules and regulation and to cross check the above CTHS categories.
	7. Importers are advised to check current <i>ITC (HS) Import Policy</i> before import in respect of Prohibited, Restricted and Free category.
	8. The consignments under withhold may be REJECTED in case the Importer/Exporter fails to submit the required documents/samples within 07 days from the date of withhold.
	9. <b>All categories of Livestock and livestock products need AQCS clearance on arrival .</b>
