Subject: Application for issuance of Sanitary Import Permit for import of
Livestock Products - regarding.

Sir,

Please refer to your application No. Nil dated 17th August, 2015 for issuance of Sanitary Import Permit for import of 48,588 Kgs. of Pet Foods from Republic of Korea (list enclosed). On examination of your application it is observed that the items proposed to be imported do not contain Livestock Ingredients. As per the notification S.O. 2666(E) dated 17.10.2014, Sanitary Import Permit is required only for animal feed containing animal origin materials. Hence, provision of Section 3A would not be applicable.

2. However, the products (as per list enclosed with this letter) needs to be cleared by the AQCS on arrival and the consignment shall accompany with a certificate issued by the Competent Authority of the exporting country to the effect that the product does not contain animal origin materials.

Yours faithfully,

(Dr. S.K. DUTTA)

Assistant Commissioner
